Results of Share Consolidation

St Helier, June 27, 2017: Caledonia Mining Corporation Plc (the "Company" - http://www.commodity-tv.net/c/search_adv/?v=297483) announces that following the approval by shareholders at the annual general meeting of the Company held on Monday, June 19, 2017 of the share consolidation and the purchase of fractional entitlements to post-consolidation common shares of the Company (the "Common Shares") and the fixing of the "Effective Time" for the consolidation, being the time that the board of directors of the Company was authorised by the shareholders to determine as the time for the consolidation to occur, the Company's share consolidation became effective at 5pm (Eastern Time) on June 26, 2017.

Due to the purchase and cancellation of fractional entitlements held through Cede & Co and CDS & Co in North America, the process of the consolidation will not be finalised for approximately a further 48 hours. Following this, a further announcement will be made to confirm the final issued share capital of the Company which is expected to occur on June 30, 2017.

The CUSIP number in respect of the post-consolidation Common Shares is G1757E113 and the ISIN code in respect of the post-consolidation depository interests in Common Shares that are traded on AIM (the "Depository Interests") is JE00BF0XVB15.

As a result of the share consolidation, the Company's issued share capital as at 7am on June 27, 2017 consisted of 10,552,199 Common Shares (of which 3,406,082 are represented by Depository Interests). There are no shares held in treasury. The total number of voting rights in the Company is therefore 10,552,199 and this figure (subject to the announcement of the final issued share capital of the Company) may be used by shareholders as the denominator for the calculations by which they determine if they are required to notify their interest in, or a change to their interest in, the Company.
